## Product Datasheet

### **Drebrin 1 (DBN1)(DBN1/3393), Biotin conjugate, 0.1mg/mL, Clone: [DBN1/3393], Mouse, Monoclonal BOT-BNCB3393-100**

|                            |                                                                                                                                                                                                                                                               |

| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant fragment (aa 150-281) of human DBN1 protein (exact sequence is proprietary)                                                                                                                                                                       |
| Conjugation                | Biotin                                                                                                                                                                                                                                                        |
| Product Description        | Drebrins (developmentally regulated brain proteins) are cytoplasmic proteins that bind F-actin in the brain and are involved in cell migration, extension of neuronal processes and plasticity of dendrites. There are three isoforms: two embryonic types... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.1 mg/mL                                                                                                                                                                                                                                                     |
| Clone Designation          | [DBN1/3393]                                                                                                                                                                                                                                                   |
