## Product Datasheet

### **CD3e (T-Cell Marker)(rC3e/1931), Biotin conjugate, 0.1mg/mL, Clone: [rC3e/1931], Mouse, Monoclonal BOT-BNCB3644-100**

|                            |                                                                                                                                                                                                                                                               |

| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant human CD3e extracellular domain fragment (around aa 23-119) (exact sequence is proprietary)                                                                                                                                                       |
| Conjugation                | Biotin                                                                                                                                                                                                                                                        |
| Product Description        | The immunogen for this Mab is derived from the extracellular domain of CD3 epsilon chain. CD3 consists of five different polypeptide chains (designated as gamma, delta, epsilon, zeta, and eta) with MW ranging from 16-28 kDa. The CD3 complex is closel... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.1 mg/mL                                                                                                                                                                                                                                                     |
| Clone Designation          | [rC3e/1931]                                                                                                                                                                                                                                                   |
