| Article Name               | PDXDC1 Antibody, Rabbit, Polyclonal                                                                                                                    |
| Biozol Catalog Number      | AST-C18098                                                                                                                                             |
| Supplier Catalog Number    | C18098                                                                                                                                                 |
| Alternative Catalog Number | AST-C18098-50,AST-C18098-100                                                                                                                           |
| Manufacturer               | Assay Biotechnology                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                             |
| Application                | ELISA, IF, IHC, WB                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                      |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human PDXDC1. AA range:677-726                                                     |
| Product Description        | cofactor:Pyridoxal phosphate.,PTM:Phosphorylated upon DNA damage, probably by ATM or ATR.,similarity:Belongs to the group II decarboxylase family.,... |
| Clonality                  | Polyclonal                                                                                                                                             |
| UniProt                    | <a href="#">Q6P996</a>                                                                                                                                 |
| Source                     | Polyclonal, Rabbit IgG                                                                                                                                 |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                  |

|                    |                                                                         |
|--------------------|-------------------------------------------------------------------------|
| Form               | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Application Dilute | WB 1:500 - 1:2000. IHC 1:100 - 1:300. ELISA: 1:10000.. IF 1:50-200      |
