| Manufacturer               | Anogen-Yes Biotech Laboratories                                                                                                   |
| Host                       | Mouse                                                                                                                             |
| Category                   | Antikörper                                                                                                                        |
| Application                | EIA, WB                                                                                                                           |
| Species Reactivity         | Human                                                                                                                             |
| Immunogen                  | Human cell expressed recombinant PD-L1 (Phe19-Arg238) with poly-histidine tag at C-terminus.                                      |
| Product Description        | Mouse monoclonal antibody (mAb) to human programmed death-ligand 1 (PD-L1), or mouse mAb to B7H1, or mouse mAb to human CD274.... |
| Clonality                  | Monoclonal                                                                                                                        |
| Clone Designation          | [15F2]                                                                                                                            |
| Isotype                    | IgG1,k                                                                                                                            |
| Purity                     | Protein G affinity purified                                                                                                       |

|                    |                                                                               |
|--------------------|-------------------------------------------------------------------------------|
| Form               | Aff. pur.                                                                     |
| Storage            | Store at -20°C                                                                |
| Target             | Human programmed death-ligand 1 (PD-L1), also known as B7H1 or CD274.         |
| Application Dilute | Double distilled water is recommended to reconstitute the antibody to 1mg/mL. |
| Application Notes  | The antibody reacts with recombinant PD-L1 in indirect ELISA.                 |
