| Category                   | Proteine/Peptide                                                                                                                                                                                                                              |
| Application                | ELISpot, FACS, FC, FluoroSpot, IHC, WB                                                                                                                                                                                                        |
| Product Description        | Pool of 189 peptides derived from a peptide scan (15mers with 11 aa overlap) through Thyroid-stimulating hormone receptor protein (UniProt ID P16473) of Homo sapiens (Human). One unit allows the stimulation of $2,5 \times 10^8$ cells.... |
| UniProt                    | <a href="#">P16473</a>                                                                                                                                                                                                                        |
