| Manufacturer               | RevMAb                                                            |
| Host                       | Rabbit                                                            |
| Category                   | Antikörper                                                        |
| Application                | ELISA                                                             |
| Species Reactivity         | Mouse                                                             |
| Immunogen                  | Mouse IgM                                                         |
| Conjugation                | Biotin                                                            |
| Format                     | IgG                                                               |
| Target Specificity         | IgM ( $\mu$ )                                                     |
| Cross-Adsorption (MinX)    | Human,Rat,Goat                                                    |
| Product Description        | Biotinylated Rabbit monoclonal to Mouse IgM...                    |
| Clonality                  | Monoclonal                                                        |
| Concentration              | 1 mg/mL                                                           |
| Clone Designation          | [RM109]                                                           |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| NCBI               | <a href="#">16019</a>                                                      |
| UniProt            | <a href="#">P01872</a>                                                     |
| Buffer             | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                        |
| Purity             | Protein A affinity purified from an animal origin-free culture supernatant |
| Antibody Type      | Secondary Antibody                                                         |
| Application Dilute | ELISA: 0.005 ug/mL - 0.2 ug/mL.                                            |
