## Product Datasheet

### Rabbit IgG anti-Human IgM ( $\mu$ ) (RM121)-unconj., MinX Hu RMB-31-1023-00

|                            |                                                              |
|----------------------------|--------------------------------------------------------------|
| Article Name               | Rabbit IgG anti-Human IgM ( $\mu$ ) (RM121)-unconj., MinX Hu |
| Biozol Catalog Number      | RMB-31-1023-00                                               |
| Supplier Catalog Number    | 31-1023-00                                                   |
| Alternative Catalog Number | RMB-31-1023-00-100                                           |
| Manufacturer               | RevMAb                                                       |
| Host                       | Rabbit                                                       |
| Category                   | Antikörper                                                   |
| Application                | ELISA, ICC, IHC                                              |
| Species Reactivity         | Human                                                        |
| Immunogen                  | Human IgM                                                    |
| Conjugation                | Unconjugated                                                 |
| Format                     | IgG                                                          |
| Target Specificity         | IgM ( $\mu$ )                                                |
| Cross-Adsorption (MinX)    | Human                                                        |
| Product Description        | Rabbit monoclonal to Human IgM...                            |
| Clonality                  | Monoclonal                                                   |
| Concentration              | 1 mg/mL                                                      |
| Clone Designation          | [RM121]                                                      |

|                    |                                                                                                                                                                             |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI               | <a href="#">3507</a>                                                                                                                                                        |
| UniProt            | <a href="#">P01871</a>                                                                                                                                                      |
| Buffer             | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                                                                                                                         |
| Purity             | Protein A affinity purified from an animal origin-free culture supernatant                                                                                                  |
| Antibody Type      | Secondary Antibody                                                                                                                                                          |
| Application Dilute | ELISA: 50ng/well - 200ng/well (for Capture), 0.05ug/mL - 0.2ug/mL (for Detection), Immunocytochemistry (ICC): 0.5ug/mL-2ug/mL, Immunohistochemistry (IHC): 0.5ug/mL-2ug/mL. |
