| Article Name               | Anti-HP-NAP Helicobacter pylori Rabbit Monoclonal Antibody [RM414]           |
| Biozol Catalog Number      | RMB-31-1300-00                                                               |
| Supplier Catalog Number    | 31-1300-00                                                                   |
| Alternative Catalog Number | RMB-31-1300-00-100                                                           |
| Manufacturer               | RevMAb                                                                       |
| Host                       | Rabbit                                                                       |
| Category                   | Antikörper                                                                   |
| Application                | ELISA                                                                        |
| Species Reactivity         | All                                                                          |
| Immunogen                  | Proteins purified from Helicobacter pylori                                   |
| Product Description        | Rabbit monoclonal to neutrophil-activating protein of Helicobacter pylori... |
| Clonality                  | Monoclonal                                                                   |
| Concentration              | 1.0 mg/mL                                                                    |
| Clone Designation          | [RM414]                                                                      |
| Buffer                     | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                          |
| Purity                     | Protein A affinity purified from an animal origin-free culture supernatant   |
| Application Dilute         | ELISA: 0.01 ug/mL - 0.2 ug/mL                                                |
