## Product Datasheet

### **Anti-EGFR (EGF Receptor) Rabbit Monoclonal Antibody, Clone RM493, Clone: [RM493] RMB-31-1385-00**

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| Article Name               | Anti-EGFR (EGF Receptor) Rabbit Monoclonal Antibody, Clone RM493, Clone: [RM493] |
| Biozol Catalog Number      | RMB-31-1385-00                                                                   |
| Supplier Catalog Number    | 31-1385-00                                                                       |
| Alternative Catalog Number | RMB-31-1385-00-100                                                               |
| Manufacturer               | RevMAb                                                                           |
| Host                       | Rabbit                                                                           |
| Category                   | Antikörper                                                                       |
| Application                | IHC, WB                                                                          |
| Species Reactivity         | Human                                                                            |
| Immunogen                  | Recombinant protein of human EGFR extracellular domain.                          |
| Product Description        | Rabbit monoclonal antibody to EGFR (EGF Receptor)...                             |
| Clonality                  | Monoclonal                                                                       |
| Clone Designation          | [RM493]                                                                          |
| NCBI                       | <a href="#">1956</a>                                                             |
| UniProt                    | <a href="#">P00533</a>                                                           |
| Buffer                     | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                              |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Purity             | Protein A affinity purified from an animal origin-free culture supernatant |
| Application Dilute | IHC: 1:100 -1:1000 dilution, WB: 1:1000 - 1:10000 dilution.                |
