## Product Datasheet

### Recombinant Hantaan virus HTNV (strain 84FLi) Nucleocapsid / NP Protein (His Tag) ELA-PKSV030173

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| Article Name               | Recombinant Hantaan virus HTNV (strain 84FLi) Nucleocapsid / NP Protein (His Tag) |
| Biozol Catalog Number      | ELA-PKSV030173                                                                    |
| Supplier Catalog Number    | PKSV030173                                                                        |
| Alternative Catalog Number | ELA-PKSV030173-100UG                                                              |
| Manufacturer               | Elabscience                                                                       |
| Category                   | Proteine/Peptide                                                                  |
| Molecular Weight           | calculated_mw: 49.7 kDa                                                           |
| Tag                        | C-His                                                                             |
| NCBI                       | <a href="#">66740</a>                                                             |
| Expression System          | Baculovirus-Insect Cells                                                          |
| Purity                     | > 80 % as determined by reducing SDS-PAGE.                                        |
| Form                       | Supplied as sterile 20 mM Tris, 500 mM NaCl, 20 % glycerol, pH 8.0.               |
| Sequence                   | Met1-Leu429                                                                       |
