## Product Datasheet

### ATM Mouse Monoclonal Antibody(4G9), IgG1 RBT-RA10169

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | ATM Mouse Monoclonal Antibody(4G9), IgG1                               |
| Biozol Catalog Number      | RBT-RA10169                                                            |
| Supplier Catalog Number    | RA10169                                                                |
| Alternative Catalog Number | RBT-RA10169-50,RBT-RA10169-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IHC                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Clonality                  | Monoclonal                                                             |
| Molecular Weight           | Molecular Weight: 350KD. Protein MW (KDa): 350KD                       |
| Isotype                    | IgG1                                                                   |
| NCBI                       | <a href="#">472</a>                                                    |
| UniProt                    | <a href="#">Q13315</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Mouse                                                                  |
| Target                     | Antibody can detect endogenous ATM proteins.                           |
| Application Dilute         | IHC 1:100-200                                                          |
