## Product Datasheet

### **P44 42 MAPK(ERK1 2)(Phospho Y205 222) Mouse Monoclonal Antibody(7A6), IgG1 RBT-RA10178**

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| Article Name               | P44 42 MAPK(ERK1 2)(Phospho Y205 222) Mouse Monoclonal Antibody(7A6), IgG1    |
| Biozol Catalog Number      | RBT-RA10178                                                                   |
| Supplier Catalog Number    | RA10178                                                                       |
| Alternative Catalog Number | RBT-RA10178-50,RBT-RA10178-100                                                |
| Manufacturer               | Reed Biotech                                                                  |
| Category                   | Antikörper                                                                    |
| Application                | IHC                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                             |
| Clonality                  | Monoclonal                                                                    |
| Molecular Weight           | Molecular Weight: 44/42KD. Protein MW (KDa): 44,42KD                          |
| Isotype                    | IgG1                                                                          |
| NCBI                       | <a href="#">5594</a>                                                          |
| UniProt                    | <a href="#">P27361</a>                                                        |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol.        |
| Source                     | Mouse                                                                         |
| Target                     | Antibody can detect endogenous P44/42 MAPK(ERK1/2) Phospho Y205/222 proteins. |

|                    |               |
