| Article Name               | Donkey F(ab') <sub>2</sub> anti-Human IgG (Fc)-unconj., MinX Bo, Ho, Ms |
| Biozol Catalog Number      | JIM-709-006-098                                                         |
| Supplier Catalog Number    | 709-006-098                                                             |
| Alternative Catalog Number | JIM-709-006-098                                                         |
| Manufacturer               | Jackson ImmunoResearch                                                  |
| Host                       | Donkey                                                                  |
| Category                   | Antikörper                                                              |
| Species Reactivity         | Human                                                                   |
| Conjugation                | Unconjugated                                                            |
| Format                     | F(ab') <sub>2</sub>                                                     |
| Target Specificity         | IgG (Fc)                                                                |
| Cross-Adsorption (MinX)    | Bovine, Equine, Mouse                                                   |
| Clonality                  | Polyclonal                                                              |
| Buffer                     | Buffer: 0.01M Sodium Phosphate, 0.25M NaCl, pH 7.6. Preservative: None  |
| Purity                     | AffiniPure                                                              |
| Form                       | Sterile-filtered liquid                                                 |

|                    |                                                                                                                                                                                                                                      |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Storage            | Storage: Store at 2-8°C under sterile conditions. Prepare working dilution on day of use. Expiration date: one year from date of receipt. The expiration date may be extended if test results are acceptable for the intended use.   |
| Antibody Type      | Secondary Antibody                                                                                                                                                                                                                   |
| Application Dilute | 10-20 µg / ml Dilution factors are presented in the form of a range because the optimal dilution is a function of many factors, such as antigen density, permeability, etc. The actual dilution used must be determined empirically. |
