| Biozol Catalog Number      | PRS-14-986                                                                                                               |
| Supplier Catalog Number    | 14-986                                                                                                                   |
| Alternative Catalog Number | PRS-14-986-100                                                                                                           |
| Manufacturer               | ProSci                                                                                                                   |
| Host                       | Rabbit                                                                                                                   |
| Category                   | Antikörper                                                                                                               |
| Application                | IF, IHC, WB                                                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                                                                        |
| Immunogen                  | Recombinant fusion protein containing a sequence corresponding to amino acids 1-105 of human Cytochrome c (NP_061820.1). |
| Conjugation                | Unconjugated                                                                                                             |
| Clonality                  | Polyclonal                                                                                                               |
| Concentration              | batch dependent                                                                                                          |
| Molecular Weight           | Observed: 14kDa                                                                                                          |
| NCBI                       | <a href="#">54205</a>                                                                                                    |
| UniProt                    | <a href="#">P99999</a>                                                                                                   |
| Buffer                     | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                        |
| Form                       | Liquid                                                                                                                   |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Application Dilute | Optimal dilutions for each application to be determined by the researcher. |
| Application Notes  | WB: 1:500 - 1:2000IHC: 1:50 - 1:200IF: 1:50 - 1:200                        |
