| Alternative Catalog Number | ICL-GAP2-80A-1                                                                                                                               |
| Manufacturer               | ICL                                                                                                                                          |
| Host                       | Goat                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                   |
| Application                | ELISA, WB                                                                                                                                    |
| Conjugation                | Unconjugated                                                                                                                                 |
| Product Description        | Achieve precise detection of human Apolipoprotein A-II with our affinity-purified goat antibody, offering reliable and sensitive results.... |
| Clonality                  | Polyclonal                                                                                                                                   |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.2                                                                                                      |
| Purity                     | Antigen Affinity Purified                                                                                                                    |
| Form                       | Liquid                                                                                                                                       |
| Samples                    | Plasma,Serum,Tissue Culture Fluids                                                                                                           |
| Target                     | Apolipoprotein A-II/ApoA2                                                                                                                    |
