| Article Name               | anti-Human D-dimer Antibody (Mouse - Clone 7H12) - Monoclonal, IgG1, Clone: [7H12] |
| Biozol Catalog Number      | ICL-MFDP-80A-7H12                                                                  |
| Supplier Catalog Number    | MFDP-80A-7H12                                                                      |
| Alternative Catalog Number | ICL-MFDP-80A-7H12-1                                                                |
| Manufacturer               | ICL                                                                                |
| Host                       | Mouse                                                                              |
| Category                   | Antikörper                                                                         |
| Application                | ELISA                                                                              |
| Conjugation                | Unconjugated                                                                       |
| Product Description        | anti-Human D-dimer Antibody (Mouse - Clone 7H12) - Monoclonal...                   |
| Clonality                  | Monoclonal                                                                         |
| Clone Designation          | [7H12]                                                                             |
| Isotype                    | IgG1                                                                               |
| Buffer                     | Phosphate buffered saline (PBS)                                                    |
| Purity                     | Purified Protein                                                                   |
| Form                       | Liquid                                                                             |
| Samples                    | Control                                                                            |

|               |                  |
|---------------|------------------|
| Target        | D-Dimer          |
| Antibody Type | Primary Antibody |
