| Article Name               | SERHL2, Biotin, Rabbit, Polyclonal                                                                 |
| Biozol Catalog Number      | NBS-ASJ-HDYKQH-100                                                                                 |
| Supplier Catalog Number    | ASJ-HDYKQH-100                                                                                     |
| Alternative Catalog Number | NBS-ASJ-HDYKQH-100                                                                                 |
| Manufacturer               | Nordic BioSite                                                                                     |
| Host                       | Rabbit                                                                                             |
| Category                   | Antikörper                                                                                         |
| Application                | ELISA, WB                                                                                          |
| Species Reactivity         | Human                                                                                              |
| Immunogen                  | Synthetic peptide corresponding to unique amino acid sequence on human serine hydrolase 1 protein. |
| Conjugation                | Biotin                                                                                             |
| Product Description        | Anti-SERHL2 antibody {Biotin}...                                                                   |
| Clonality                  | Polyclonal                                                                                         |
| Concentration              | 0.40-0.75 ug/ul                                                                                    |
| NCBI                       | <a href="#">253190</a>                                                                             |
| UniProt                    | <a href="#">Q9H4I8</a>                                                                             |

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Tris/glycine buffer at pH 7.4 containing 0.02% sodium azide as preservative, cryo-protective agents, 0.5% stabilizing protein BSA and 30% glycerol. |
| Target             | SERHL2                                                                                                                                              |
| Antibody Type      | Primary Antibody                                                                                                                                    |
| Application Dilute | DB 1:10, 000-1:100, 000, ELISA 1:10, 000-1:100, 000, WB 1:500                                                                                       |
