## Product Datasheet

### **Rabies virus/RABV G/Glycoprotein Recombinant Protein, C-10\*His Tag PTG-PX-P6747**

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | Rabies virus/RABV G/Glycoprotein Recombinant Protein, C-10*His Tag              |
| Biozol Catalog Number      | PTG-PX-P6747                                                                    |
| Supplier Catalog Number    | PX-P6747                                                                        |
| Alternative Catalog Number | PTG-PX-P6747                                                                    |
| Manufacturer               | ProteoGenix                                                                     |
| Category                   | Proteine/Peptide                                                                |
| Species Reactivity         | Virus                                                                           |
| Molecular Weight           | 52.96 kDa                                                                       |
| Tag                        | C-Terminal 10*His Tag                                                           |
| UniProt                    | <a href="#">P08667</a>                                                          |
| Buffer                     | Lyophilized from a solution in PBS pH 7.4, 1mM EDTA, 4% Trehalose, 1% Mannitol. |
| Expression System          | Eukaryotic expression                                                           |
| Target                     | Glycoprotein                                                                    |
