## Product Datasheet

### **InVivoMAb anti-mouse MHC Class I (H-2Kb), Clone: [AF6-88.5.5.3], Mouse, Monoclonal BXC-BE0121**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse MHC Class I (H-2Kb), Clone: [AF6-88.5.5.3], Mouse, Monoclonal   |
| Biozol Catalog Number      | BXC-BE0121                                                                           |
| Supplier Catalog Number    | BE0121                                                                               |
| Alternative Catalog Number | BXC-BE0121-1MG,BXC-BE0121-5MG,BXC-BE0121-25MG,BXC-BE0121-50MG,BXC-BE0121-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Mouse                                                                                |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | C57BL/6 mouse splenocytes                                                            |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [AF6-88.5.5.3]                                                                       |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/23616570 target=_blank rel=nofollow>23616570 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                |

|                   |                                        |
|-------------------|----------------------------------------|
| Target            | MHC Class I                            |
| Application Notes | in vivo administration, Flow cytometry |
