| Article Name               | InVivoMAb anti-mouse BTLA (CD272), Clone: [6F7], Mouse, Monoclonal                   |
| Biozol Catalog Number      | BXC-BE0304                                                                           |
| Supplier Catalog Number    | BE0304                                                                               |
| Alternative Catalog Number | BXC-BE0304-1MG,BXC-BE0304-5MG,BXC-BE0304-25MG,BXC-BE0304-50MG,BXC-BE0304-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Mouse                                                                                |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Ig domain of C57BL/6 mouse BTLA                                                      |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [6F7]                                                                                |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/21873525 target=_blank rel=nofollow>21873525 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                |

|                   |                                                                                              |
|-------------------|----------------------------------------------------------------------------------------------|
| Target            | BTLA                                                                                         |
| Application Notes | in vivo BTLA+ B cell and CD4 T cell depletion*, Flow cytometry, *see description for details |
