## Product Datasheet

### **InVivoMAb anti-mouse CD38, Clone: [NIMR5], Rat, Monoclonal BXC-BE0317**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse CD38, Clone: [NIMR5], Rat, Monoclonal                           |
| Biozol Catalog Number      | BXC-BE0317                                                                           |
| Supplier Catalog Number    | BE0317                                                                               |
| Alternative Catalog Number | BXC-BE0317-1MG,BXC-BE0317-5MG,BXC-BE0317-25MG,BXC-BE0317-50MG,BXC-BE0317-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | BCL1 plasma membrane glycoproteins                                                   |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [NIMR5]                                                                              |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/26294209 target=_blank rel=nofollow>26294209 |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Form                       | Liquid                                                                               |

|                   |                                                                                                                            |
|-------------------|----------------------------------------------------------------------------------------------------------------------------|
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives                                                                      |
| Target            | CD38                                                                                                                       |
| Application Notes | in vivo CD38 stimulation, in vitro CD38 stimulation, in vitro B cell activation, Immunofluorescence, ELISA, Flow cytometry |
