| Article Name               | InVivoMAb anti-mouse/human Mac-2 (Galectin-3), Clone: [M3/38 TIB-166], Rat, Monoclonal                                           |
| Biozol Catalog Number      | BXC-BE0395                                                                                                                       |
| Supplier Catalog Number    | BE0395                                                                                                                           |
| Alternative Catalog Number | BXC-BE0395-1MG,BXC-BE0395-5MG,BXC-BE0395-25MG,BXC-BE0395-50MG,BXC-BE0395-100MG                                                   |
| Manufacturer               | Bio X Cell                                                                                                                       |
| Host                       | Rat                                                                                                                              |
| Category                   | Antikörper                                                                                                                       |
| Species Reactivity         | Human, Mouse                                                                                                                     |
| Immunogen                  | C57BL/6 mouse macrophage glycoproteins                                                                                           |
| Clonality                  | Monoclonal                                                                                                                       |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                                                        |
| Clone Designation          | [M3/38 TIB-166]                                                                                                                  |
| Molecular Weight           | 150 kDa                                                                                                                          |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/1917996">https://pubmed.ncbi.nlm.nih.gov/1917996</a> target=_blank rel=nofollow>1917996 |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                                                                            |
| Purity                     | 95% , Determined by SDS-PAGE                                                                                                     |

|                   |                                                                                         |
|-------------------|-----------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                  |
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives                                   |
| Target            | Mac-2                                                                                   |
| Application Notes | Western blot, Immunofluorescence, Immunohistochemistry (paraffin), Immunoprecipitation, |
