## Product Datasheet

### **InVivoPlus mouse IgG2b isotype control, unknown specificity, Clone: [MPC-11], Mouse, Monoclonal BXC-BP0086**

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| Article Name               | InVivoPlus mouse IgG2b isotype control, unknown specificity, Clone: [MPC-11], Mouse, Monoclonal |
| Biozol Catalog Number      | BXC-BP0086                                                                                      |
| Supplier Catalog Number    | BP0086                                                                                          |
| Alternative Catalog Number | BXC-BP0086-5MG,BXC-BP0086-50MG,BXC-BP0086-25MG,BXC-BP0086-100MG                                 |
| Manufacturer               | Bio X Cell                                                                                      |
| Host                       | Mouse                                                                                           |
| Category                   | Antikörper                                                                                      |
| Clonality                  | Monoclonal                                                                                      |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                       |
| Clone Designation          | [MPC-11]                                                                                        |
| Molecular Weight           | 150 kDa                                                                                         |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/26872697 target=_blank rel=nofollow>26872697            |
| Purity                     | 95% , Determined by SDS-PAGE                                                                    |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                           |
