## Product Datasheet

### **FlowMAb PE mouse IgG2a isotype control, unknown specificity, Clone: [C1.18.4], Mouse, Monoclonal BXC-FM0085-PE-025MCG**

|                            |                                                                                                  |
|----------------------------|--------------------------------------------------------------------------------------------------|
| Article Name               | FlowMAb PE mouse IgG2a isotype control, unknown specificity, Clone: [C1.18.4], Mouse, Monoclonal |
| Biozol Catalog Number      | BXC-FM0085-PE-025MCG                                                                             |
| Supplier Catalog Number    | FM0085-PE-025mcg                                                                                 |
| Alternative Catalog Number | BXC-FM0085-PE-025MCG-25UG                                                                        |
| Manufacturer               | Bio X Cell                                                                                       |
| Host                       | Mouse                                                                                            |
| Category                   | Antikörper                                                                                       |
| Clonality                  | Monoclonal                                                                                       |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                       |
| Clone Designation          | [C1.18.4]                                                                                        |
| Molecular Weight           | 150 kDa                                                                                          |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/23897982 target=_blank rel=nofollow>23897982             |
| Purity                     | 95% , Determined by SDS-PAGE                                                                     |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                            |
