| Article Name               | InVivoMAb anti-mouse Thy1 (CD90), IgG2a, Clone: [M5/49.4.1], Rat, Monoclonal         |
| Biozol Catalog Number      | BXC-BE0076-INDUSTRIAL                                                                |
| Supplier Catalog Number    | BE0076                                                                               |
| Alternative Catalog Number | BXC-BE0076-1MG,BXC-BE0076-5MG,BXC-BE0076-25MG,BXC-BE0076-50MG,BXC-BE0076-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Mixed lymphocyte culture                                                             |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [M5/49.4.1]                                                                          |
| Molecular Weight           | 150 kDa                                                                              |
| Isotype                    | IgG2a                                                                                |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/25236978 target=_blank rel=nofollow>25236978 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives |
| Target            | Thy1                                                  |
| Application Notes | in vitro T cell depletion                             |
