## Product Datasheet

### **InVivoMAb anti-mouse/human osteopontin (SPP1), Clone: [100D3], Mouse, Monoclonal BXC-BE0372-INDUSTRIAL**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse/human osteopontin (SPP1), Clone: [100D3], Mouse, Monoclonal     |
| Biozol Catalog Number      | BXC-BE0372-INDUSTRIAL                                                                |
| Supplier Catalog Number    | BE0372                                                                               |
| Alternative Catalog Number | BXC-BE0372-1MG,BXC-BE0372-5MG,BXC-BE0372-25MG,BXC-BE0372-50MG,BXC-BE0372-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Mouse                                                                                |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Human, Mouse                                                                         |
| Immunogen                  | Recombinant mouse OPN protein                                                        |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [100D3]                                                                              |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/33670921 target=_blank rel=nofollow>33670921 |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |

|                   |                                                                |
|-------------------|----------------------------------------------------------------|
| Form              | Liquid                                                         |
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives          |
| Target            | osteopontin                                                    |
| Application Notes | in vivo OPN neutralization, in vitro OPN neutralization, ELISA |
