## Product Datasheet

### **FlowMAb APC anti-mouse CD3epsilon, IgG1, Clone: [145-2C11], Hamster, Monoclonal BXC-FM0001-1-APC-100MCG-INDUSTRIAL**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | FlowMAb APC anti-mouse CD3epsilon, IgG1, Clone: [145-2C11], Hamster, Monoclonal      |
| Biozol Catalog Number      | BXC-FM0001-1-APC-100MCG-INDUSTRIAL                                                   |
| Supplier Catalog Number    | FM0001-1-APC-100mcg                                                                  |
| Alternative Catalog Number | BXC-FM0001-1-APC-100MCG-100UG                                                        |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Hamster                                                                              |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Mouse BM10-37 cytotoxic T cells                                                      |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                           |
| Clone Designation          | [145-2C11]                                                                           |
| Molecular Weight           | 150 kDa                                                                              |
| Isotype                    | IgG1                                                                                 |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/25367572 target=_blank rel=nofollow>25367572 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |

|                   |                                                                                                                    |
|-------------------|--------------------------------------------------------------------------------------------------------------------|
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives                                                              |
| Target            | CD3epsilon                                                                                                         |
| Application Notes | in vivo T cell depletion, in vitro T cell stimulation/activation, Immunofluorescence, Flow cytometry, Western blot |
