| Article Name               | FlowMAb PE mouse IgG1 isotype control, unknown specificity, Clone: [MOPC-21], Mouse, Monoclonal |
| Biozol Catalog Number      | BXC-FM0083-PE-025MCG-INDUSTRIAL                                                                 |
| Supplier Catalog Number    | FM0083-PE-025mcg                                                                                |
| Alternative Catalog Number | BXC-FM0083-PE-025MCG-25UG                                                                       |
| Manufacturer               | Bio X Cell                                                                                      |
| Host                       | Mouse                                                                                           |
| Category                   | Antikörper                                                                                      |
| Clonality                  | Monoclonal                                                                                      |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                      |
| Clone Designation          | [MOPC-21]                                                                                       |
| Molecular Weight           | 150 kDa                                                                                         |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/24633065" rel="nofollow" target="_blank">24633065</a>  |
| Purity                     | 95% , Determined by SDS-PAGE                                                                    |
| Formula                    | PBS, pH 6.5, Contains no stabilizers or preservatives                                           |
