## Product Datasheet

### **InVivoSIM anti-human IL-3RA (CD123) (Pivekimab Biosimilar), Clone: [Pivekimab], Human, Monoclonal BXC-SIM0080-INDUSTRIAL**

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | InVivoSIM anti-human IL-3RA (CD123) (Pivekimab Biosimilar), Clone:<br>[Pivekimab], Human, Monoclonal |
| Biozol Catalog Number      | BXC-SIM0080-INDUSTRIAL                                                                               |
| Supplier Catalog Number    | SIM0080                                                                                              |
| Alternative Catalog Number | BXC-SIM0080-1MG,BXC-SIM0080-5MG,BXC-SIM0080-25MG,BXC-SIM0080-50MG,BXC-SIM0080-100MG                  |
| Manufacturer               | Bio X Cell                                                                                           |
| Host                       | Human                                                                                                |
| Category                   | Antikörper                                                                                           |
| Species Reactivity         | Human                                                                                                |
| Immunogen                  | Human IL-3RA                                                                                         |
| Clonality                  | Monoclonal                                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                            |
| Clone Designation          | [Pivekimab]                                                                                          |
| Molecular Weight           | 150 kDa                                                                                              |
| Purity                     | 95% , Determined by SDS-PAGE                                                                         |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                                |
| Target                     | IL-3RA                                                                                               |

|                   |                                                                              |
|-------------------|------------------------------------------------------------------------------|
| Application Notes | in vivo functional assays, in vitro functional assays, Flow cytometry, ELISA |
|-------------------|------------------------------------------------------------------------------|
