## Product Datasheet

### **Rat IgG1 kappa anti-Mouse IgG1 (Fc) (LO-MG1-15)-Biotin, MinX Rb,Bo SYN-LO-MG1-15-BIOT-0.5**

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Rat IgG1 kappa anti-Mouse IgG1 (Fc) (LO-MG1-15)-Biotin, MinX Rb,Bo |
| Biozol Catalog Number      | SYN-LO-MG1-15-BIOT-0.5                                             |
| Supplier Catalog Number    | LO-MG1-15-BIOT-0.5                                                 |
| Alternative Catalog Number | SYN-LO-MG1-15-BIOT-0.5                                             |
| Manufacturer               | Synabs                                                             |
| Host                       | Rat                                                                |
| Category                   | Antikörper                                                         |
| Application                | ELISA, IA                                                          |
| Species Reactivity         | Mouse                                                              |
| Conjugation                | Biotin                                                             |
| Format                     | IgG1                                                               |
| Target Specificity         | IgG1 (Fc)                                                          |
| Cross-Adsorption (MinX)    | Rabbit,Bovine                                                      |
| Clonality                  | Monoclonal                                                         |
| Concentration              | 1mg/mL                                                             |
| Clone Designation          | [LO-MG1-15]                                                        |
| Isotype                    | IgG1 kappa                                                         |
| UniProt                    | <a href="#">P01868</a>                                             |

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Buffer        | PBS/0,1%NaN3/50%glycerol                                              |
| Purity        | Immunoaffinity chromatography (Purification on Mouse anti-Rat column) |
| Storage       | -20°C                                                                 |
| Formula       | PBS/0,1%NaN3/50%glycerol                                              |
| Target        | Mouse IgG1 heavy chain                                                |
| Antibody Type | Secondary Antibody                                                    |
