## Product Datasheet

### **Rat IgG1 kappa anti-Mouse IgG2b (Fc) (LO-MG2b-2)-Biotin, MinX Ck,Rb,Sh,Bo,Ho,Dg,Sw,Hu,Go,Mo SYN-LO-MG2B-2-BIOT-1**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | Rat IgG1 kappa anti-Mouse IgG2b (Fc) (LO-MG2b-2)-Biotin, MinX<br>Ck,Rb,Sh,Bo,Ho,Dg,Sw,Hu,Go,Mo |
| Biozol Catalog Number      | SYN-LO-MG2B-2-BIOT-1                                                                           |
| Supplier Catalog Number    | LO-MG2b-2-BIOT-1                                                                               |
| Alternative Catalog Number | SYN-LO-MG2B-2-BIOT-1                                                                           |
| Manufacturer               | Synabs                                                                                         |
| Host                       | Rat                                                                                            |
| Category                   | Antikörper                                                                                     |
| Application                | ELISA, ELISpot, IA, IAC                                                                        |
| Species Reactivity         | Mouse                                                                                          |
| Conjugation                | Biotin                                                                                         |
| Format                     | IgG1                                                                                           |
| Target Specificity         | IgG2b (Fc)                                                                                     |
| Cross-Adsorption (MinX)    | Gallus,Rabbit,Sheep,Bovine,Equine,Canine,Porcine,Human,Goat,Monkey                             |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | 1mg/mL                                                                                         |
| Clone Designation          | [LO-MG2b-2]                                                                                    |

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Isotype       | IgG1 kappa                                                            |
| UniProt       | <a href="#">P01867</a>                                                |
| Buffer        | PBS/0,1%NaN3/50%glycerol                                              |
| Purity        | Immunoaffinity chromatography (Purification on Mouse anti-Rat column) |
| Storage       | -20°C                                                                 |
| Formula       | PBS/0,1%NaN3/50%glycerol                                              |
| Target        | Mouse IgG2b heavy chain                                               |
| Antibody Type | Secondary Antibody                                                    |
