### **Rat IgG1 kappa anti-Rat Kappa 1b (LO-RK1b-2)-Biotin SYN-LO-RK1B-2-BIOT-1**

|                            |                                                                       |
|----------------------------|-----------------------------------------------------------------------|
| Article Name               | Rat IgG1 kappa anti-Rat Kappa 1b (LO-RK1b-2)-Biotin                   |
| Biozol Catalog Number      | SYN-LO-RK1B-2-BIOT-1                                                  |
| Supplier Catalog Number    | LO-RK1b-2-BIOT-1                                                      |
| Alternative Catalog Number | SYN-LO-RK1B-2-BIOT-1                                                  |
| Manufacturer               | Synabs                                                                |
| Host                       | Rat                                                                   |
| Category                   | Antikörper                                                            |
| Application                | CS, IA, IAC                                                           |
| Species Reactivity         | Rat                                                                   |
| Conjugation                | Biotin                                                                |
| Format                     | IgG1                                                                  |
| Target Specificity         | Kappa 1b (Light Chain)                                                |
| Clonality                  | Monoclonal                                                            |
| Concentration              | 1mg/mL                                                                |
| Clone Designation          | [LO-RK1b-2]                                                           |
| Isotype                    | IgG1 kappa                                                            |
| Buffer                     | PBS/0,1%NaN3/50%glycerol                                              |
| Purity                     | Immunoaffinity chromatography (Purification on Mouse anti-Rat column) |

|               |                                          |
|---------------|------------------------------------------|
| Storage       | -20°C                                    |
| Formula       | PBS/0,1%NaN3/50%glycerol                 |
| Target        | Rat Kappa light chain of IgK-1b allotype |
| Antibody Type | Secondary Antibody                       |
