## Product Datasheet

### **Rat IgG1 kappa anti-Human Kappa (free + bound chains),Kappa light chain (LO-hK-3)-unconj., MinX Gp,Ck,Rb,Sh,Bo,Ho,Dg,Sw,Go,Mo,Ms SYN-LO-HK-3-P-1**

|                            |                                                                                                                                  |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Rat IgG1 kappa anti-Human Kappa (free + bound chains),Kappa light chain (LO-hK-3)-unconj., MinX Gp,Ck,Rb,Sh,Bo,Ho,Dg,Sw,Go,Mo,Ms |
| Biozol Catalog Number      | SYN-LO-HK-3-P-1                                                                                                                  |
| Supplier Catalog Number    | LO-hK-3-P-1                                                                                                                      |
| Alternative Catalog Number | SYN-LO-HK-3-P-1                                                                                                                  |
| Manufacturer               | Synabs                                                                                                                           |
| Host                       | Rat                                                                                                                              |
| Category                   | Antikörper                                                                                                                       |
| Application                | ELISA, IA, IAC                                                                                                                   |
| Species Reactivity         | Human                                                                                                                            |
| Conjugation                | Unconjugated                                                                                                                     |
| Format                     | IgG1                                                                                                                             |
| Target Specificity         | Kappa (Light Chain) - free and bound determinants                                                                                |
| Cross-Adsorption (MinX)    | Guinea pig,Gallus,Rabbit,Sheep,Bovine,Equine,Canine,Porcine,Goat,Monkey, Mouse                                                   |
| Clonality                  | Monoclonal                                                                                                                       |
| Concentration              | 1mg/mL                                                                                                                           |
| Clone Designation          | [LO-hK-3]                                                                                                                        |

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Isotype       | IgG1 kappa                                                            |
| UniProt       | <a href="#">P01834</a>                                                |
| Buffer        | PBS/0,1%NaN3                                                          |
| Purity        | Immunoaffinity chromatography (Purification on Mouse anti-Rat column) |
| Storage       | -20°C                                                                 |
| Formula       | PBS/0,1%NaN3                                                          |
| Target        | Human kappa light chain                                               |
| Antibody Type | Secondary Antibody                                                    |
