| Product Description        | Fibrinogenlike protein 1(FGL1) is also known as HP041, Hepassocin, HFREP1, LFIRE1. The protective effect of fibrinogenlike protein 1 (FGL1) in liver injury has previously been reported. However, studies have shown that FGL1 may be a predictor of GC p... |
| Molecular Weight           | 60.5 kDa                                                                                                                                                                                                                                                      |
| Tag                        | N-Fc                                                                                                                                                                                                                                                          |
