| Manufacturer               | Nordic BioSite                                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                                         |
| Application                | FC                                                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                                              |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human SNAP23, which shares 94.4% amino acid (aa) sequence identity with mouse and rat SNAP23. |
| Product Description        | Anti-SNAP23 Antibody . Tested in Flow Cytometry, IHC, WB applications. This antibody reacts with Human....                                                         |
| Clonality                  | Polyclonal                                                                                                                                                         |
| Concentration              | 500 ug/ml                                                                                                                                                          |
| Molecular Weight           | 22105 MW                                                                                                                                                           |
| NCBI                       | <a href="#">8773</a>                                                                                                                                               |
