## Product Datasheet

### CD57 antibody [TB01] (FITC), IgM, Mouse, Monoclonal GTX00463-06

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| Article Name               | CD57 antibody [TB01] (FITC), IgM, Mouse, Monoclonal                              |
| Biozol Catalog Number      | GTX00463-06                                                                      |
| Supplier Catalog Number    | GTX00463-06                                                                      |
| Alternative Catalog Number | GTX00463-06-100                                                                  |
| Manufacturer               | GeneTex                                                                          |
| Host                       | Mouse                                                                            |
| Category                   | Antikörper                                                                       |
| Application                | FC                                                                               |
| Species Reactivity         | Human                                                                            |
| Immunogen                  | A pool of neuroblastoma cell lines                                               |
| Conjugation                | FITC                                                                             |
| Clonality                  | Monoclonal                                                                       |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [TB01]                                                                           |
| Isotype                    | IgM                                                                              |
| NCBI                       | <a href="#">27087</a>                                                            |
| UniProt                    | <a href="#">Q9P2W7</a>                                                           |
| Buffer                     | TBS, 15mM Sodium azide.                                                          |

|                   |                                                                                                                                                                                                 |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                                                                                          |
| Application Notes | FCM: 4 µl reagent / 100 µl of whole blood or 10 <sup>6</sup> cells in a suspension. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
