| Alternative Catalog Number | GTX00490-100                                                                                                                   |
| Manufacturer               | GeneTex                                                                                                                        |
| Host                       | Mouse                                                                                                                          |
| Category                   | Antikörper                                                                                                                     |
| Application                | FC, IHC-Fr, IP, WB                                                                                                             |
| Species Reactivity         | Human                                                                                                                          |
| Immunogen                  | Human thymic clone B12                                                                                                         |
| Conjugation                | Unconjugated                                                                                                                   |
| Clonality                  | Monoclonal                                                                                                                     |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                       |
| Clone Designation          | [BB27]                                                                                                                         |
| Molecular Weight           | 115                                                                                                                            |
| Isotype                    | IgG1                                                                                                                           |
| Sensitivity                | This antibody recognizes human CD101. Clone BB27 has been reported to inhibit allogeneic T-cell responses (Bagot et al. 1997). |
| NCBI                       | <a href="#">9398</a>                                                                                                           |
