## Product Datasheet

### ELISA Kit for Anti-Myelin Oligodendrocyte Glycoprotein Antibody (Anti-MOG) USC-AEA421HU

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Anti-Myelin Oligodendrocyte Glycoprotein Antibody (Anti-MOG) |
| Biozol Catalog Number      | USC-AEA421HU                                                               |
| Supplier Catalog Number    | AEA421Hu                                                                   |
| Alternative Catalog Number | USC-AEA421HU-48, USC-AEA421HU-96                                           |
| Manufacturer               | Cloud-Clone                                                                |
| Category                   | Kits/Assays                                                                |
| Species Reactivity         | Human                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                        |
| Range                      | 3.12-200ng/mL                                                              |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 1.21ng/mL   |
| UniProt                    | <a href="#">Q16653</a>                                                     |
| Samples                    | Serum, plasma and other biological fluids                                  |
| Application Notes          | Enzyme-linked immunosorbent assay for Antibody Detection.                  |
