### ELISA Kit for Anti-Troponin T Antibody (Anti-TNT) USC-AEB820HU

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Anti-Troponin T Antibody (Anti-TNT)                        |
| Biozol Catalog Number      | USC-AEB820HU                                                             |
| Supplier Catalog Number    | AEB820Hu                                                                 |
| Alternative Catalog Number | USC-AEB820HU-48, USC-AEB820HU-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Human                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 3.12-200ng/mL                                                            |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 1.14ng/mL |
| Samples                    | serum, plasma and other biological fluids                                |
| Application Notes          | Enzyme-linked immunosorbent assay for Antibody Detection.                |
