### ELISA Kit for Anti-Glutamic Acid Antibody (Anti-Glu) USC-AES122GE

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Anti-Glutamic Acid Antibody (Anti-Glu)                     |
| Biozol Catalog Number      | USC-AES122GE                                                             |
| Supplier Catalog Number    | AES122Ge                                                                 |
| Alternative Catalog Number | USC-AES122GE-48, USC-AES122GE-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | All                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 3.12-200ng/mL                                                            |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 1.21ng/mL |
| Samples                    | serum, plasma and other biological fluids                                |
| Application Notes          | Enzyme-linked immunosorbent assay for Antibody Detection.                |
