### ELISA Kit for Proneurotensin/neuromedin N (ProNT/NMN) USC-CEA334HU

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Proneurotensin/neuromedin N (ProNT/NMN)                                                |
| Biozol Catalog Number      | USC-CEA334HU                                                                                         |
| Supplier Catalog Number    | CEA334Hu                                                                                             |
| Alternative Catalog Number | USC-CEA334HU-48, USC-CEA334HU-96                                                                     |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Human                                                                                                |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 12.35-1,000pg/mL                                                                                     |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 4.84pg/mL                             |
| UniProt                    | <a href="#">P30990</a>                                                                               |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                                             |
