### ELISA Kit for Growth Hormone Releasing Hormone (GHRH) USC-CEA438PO

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Growth Hormone Releasing Hormone (GHRH)                    |
| Biozol Catalog Number      | USC-CEA438PO                                                             |
| Supplier Catalog Number    | CEA438Po                                                                 |
| Alternative Catalog Number | USC-CEA438PO-48, USC-CEA438PO-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Porcine                                                                  |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 12.35-1000pg/mL                                                          |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 5.22pg/mL |
| UniProt                    | <a href="#">E0Y439</a>                                                   |
| Samples                    | Serum, plasma and other biological fluids                                |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
