## Product Datasheet

### High Sensitive ELISA Kit for Interleukin 1 Beta (IL1b) USC-HEA563RA

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | High Sensitive ELISA Kit for Interleukin 1 Beta (IL1b)                                               |
| Biozol Catalog Number      | USC-HEA563RA                                                                                         |
| Supplier Catalog Number    | HEA563Ra                                                                                             |
| Alternative Catalog Number | USC-HEA563RA-48, USC-HEA563RA-96                                                                     |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Rat                                                                                                  |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 7.8-500pg/mL                                                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 3.0pg/mL                              |
| UniProt                    | <a href="#">Q63264</a>                                                                               |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                                             |
