## Product Datasheet

### High Sensitive ELISA Kit for Growth Differentiation Factor 11 (GDF11) USC-HEC113MU

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | High Sensitive ELISA Kit for Growth Differentiation Factor 11 (GDF11)                                |
| Biozol Catalog Number      | USC-HEC113MU                                                                                         |
| Supplier Catalog Number    | HEC113Mu                                                                                             |
| Alternative Catalog Number | USC-HEC113MU-48, USC-HEC113MU-96                                                                     |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Mouse                                                                                                |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 6.25-400pg/mL                                                                                        |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 2.21pg/mL                             |
| UniProt                    | <a href="#">Q9Z1W4</a>                                                                               |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                                             |
