## Product Datasheet

### CLIA Kit for Matrix Metalloproteinase 7 (MMP7) USC-SCA102HU

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | CLIA Kit for Matrix Metalloproteinase 7 (MMP7)                                                       |
| Biozol Catalog Number      | USC-SCA102HU                                                                                         |
| Supplier Catalog Number    | SCA102Hu                                                                                             |
| Alternative Catalog Number | USC-SCA102HU-48, USC-SCA102HU-96                                                                     |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Human                                                                                                |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 13.7-10,000pg/mL                                                                                     |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 5.0pg/mL                              |
| UniProt                    | <a href="#">P09237</a>                                                                               |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Chemiluminescent immunoassay for Antigen Detection.                                                  |
