### CLIA Kit for Cardiac Troponin I (cTnI) USC-SCA478HU

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | CLIA Kit for Cardiac Troponin I (cTnI)                                                               |
| Biozol Catalog Number      | USC-SCA478HU                                                                                         |
| Supplier Catalog Number    | SCA478Hu                                                                                             |
| Alternative Catalog Number | USC-SCA478HU-48, USC-SCA478HU-96                                                                     |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Human                                                                                                |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 2.74-2,000pg/mL                                                                                      |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.92pg/mL                             |
| UniProt                    | <a href="#">P19429</a>                                                                               |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Chemiluminescent immunoassay for Antigen Detection.                                                  |
