### CLIA Kit for Intercellular Adhesion Molecule 1 (ICAM1) USC-SCA548MU

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | CLIA Kit for Intercellular Adhesion Molecule 1 (ICAM1)                                               |
| Biozol Catalog Number      | USC-SCA548MU                                                                                         |
| Supplier Catalog Number    | SCA548Mu                                                                                             |
| Alternative Catalog Number | USC-SCA548MU-48, USC-SCA548MU-96                                                                     |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Mouse                                                                                                |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 68.6-50,000pg/mL                                                                                     |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 29.2pg/mL                             |
| UniProt                    | <a href="#">P13597</a>                                                                               |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Chemiluminescent immunoassay for Antigen Detection.                                                  |
