## Product Datasheet

### CLIA Kit for Phosphoserine Aminotransferase 1 (PSAT1) USC-SCD861HU

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | CLIA Kit for Phosphoserine Aminotransferase 1 (PSAT1)                   |
| Biozol Catalog Number      | USC-SCD861HU                                                            |
| Supplier Catalog Number    | SCD861Hu                                                                |
| Alternative Catalog Number | USC-SCD861HU-48, USC-SCD861HU-96                                        |
| Manufacturer               | Cloud-Clone                                                             |
| Category                   | Kits/Assays                                                             |
| Species Reactivity         | Human                                                                   |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                     |
| Range                      | 13.7-10,000pg/mL                                                        |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 6.2pg/mL |
| UniProt                    | <a href="#">Q9Y617</a>                                                  |
| Samples                    | Tissue homogenates and other biological fluids.                         |
| Application Notes          | Chemiluminescent immunoassay for Antigen Detection.                     |
