### CLIA Kit for Tumor Protein, Translationally Controlled 1 (TPT1) USC-SCG962MU

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | CLIA Kit for Tumor Protein, Translationally Controlled 1 (TPT1)                       |
| Biozol Catalog Number      | USC-SCG962MU                                                                          |
| Supplier Catalog Number    | SCG962Mu                                                                              |
| Alternative Catalog Number | USC-SCG962MU-48, USC-SCG962MU-96                                                      |
| Manufacturer               | Cloud-Clone                                                                           |
| Category                   | Kits/Assays                                                                           |
| Species Reactivity         | Mouse                                                                                 |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                   |
| Range                      | 27.4-20,000pg/mL                                                                      |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 10.3pg/mL              |
| UniProt                    | <a href="#">P63028</a>                                                                |
| Samples                    | tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Chemiluminescent immunoassay for Antigen Detection.                                   |
