## Product Datasheet

### **CLIA Kit for Wingless Type MMTV Integration Site Family, Member 1 (WNT1)** **USC-SCL821HU**

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | CLIA Kit for Wingless Type MMTV Integration Site Family, Member 1 (WNT1)                             |
| Biozol Catalog Number      | USC-SCL821HU                                                                                         |
| Supplier Catalog Number    | SCL821Hu                                                                                             |
| Alternative Catalog Number | USC-SCL821HU-48, USC-SCL821HU-96                                                                     |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Human                                                                                                |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 13.7-10000pg/mL                                                                                      |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 4.9pg/mL                              |
| UniProt                    | NM_005430.3                                                                                          |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Chemiluminescent immunoassay for Antigen Detection.                                                  |
